### Facilities Ski Runs Alpine Ski Touring

Dachstein Krippenstein

- **Location:**
  - Ski run Sessellift
  - Variant Schönberg
  - Ski run Krippenbrunn – Talstation
  - Ski run Krippenstein – Gjaidalm

### Lodge at Krippenstein

The modern full-service restaurant for summer and winter business has been integrated into the existing building of the cable car mountain station. Enjoy domestic and international dishes in a cozy atmosphere. On the sun terrace and in the new dining room, a variety of wines are offered.

- **Location:** Inside the cable car mountain station
- **Contact:** +43 664 1211370

### Gjaidalm Lift

The 10-lift shaft is embedded in a wild postglacial valley, is surrounded by a fascinating mountain scenery. The Gjaidalm lift is known for extraordinary winter tourism, as well as for the region’s angel dedicated skiing directions from the gondola lifts. The simply best ready furnished rooms and ski-in ski-out access for approx. 100 people.

- **Location:** approx. 3 min. hike from the station Gjaidalm. For further details contact: +43 666 359 09 90

### Dachsteinbuffet

Relax, recover or discuss the last runs. They offer a variety of snacks.

- **Location:** right inside the cable station of the Gjaidalm. For further details contact: +43 666 359 09 90

### Naturfreundehütte Wiesenberghaus

The Alpine training center for nature enthusiasts in upper Austria. The hut also acts as Alpine shelter and offers ideal base for numerous walking groups. The hut is fully camera controlled (two hours)

- **Location:** approx. 2 km from the education center of the cable car
- **Contact:** +43 666 1211370

### Seminar and Eventroom

Whether for seminars or events in the nature, this restaurant and event area is furnished with modern technology and has a capacity for about 100 persons.

- **Information and reservations:** +43 664 1211370, service@wiesenberghaus.at
